Dear Peter,

I would like to express my most sincere gratitude and compliment you and your staff at STH Special Tours Hungary Ltd. on the handling of all the arrangements in connection with our 70<sup>th</sup> Skål World Congress held in Budapest, Hungary, from 1<sup>st</sup> to 6<sup>th</sup> November 2009.

I particularly wish to thank you personally for the very hard work, long hours and diligent efforts invested in the event, which indeed made our Congress very successful and one to be remembered by all of those who attended.

I am well aware of the tremendous amount of logistical preparation and coordination that goes into our annual event and I am also very conscious that the 1,000 persons who attended were extremely happy with the content of the Congress and all of the arrangements made.

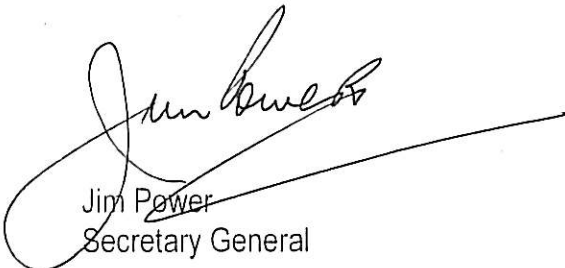

Your tireless work, not only throughout the Congress but during the months prior to the event, the detail of service in accommodating our requests and problem solving approach to the many unexpected hurdles one encounters with such a large event, made the Congress the success it was.

The professionalism shown by you and your team is highly appreciated.

Congratulations to all on a job well done.

I trust to have the pleasure of working with you again and wish you success with all your future projects.

Kind regards and Skål,

Jim Power  
Secretary General
